

## Share uplifting examples of Accessibility in your community!

Here's how you can get involved:

### Think Accessibility

Start learning about the everyday barriers people with disabilities face daily and some of the brilliant solutions that are out there!

### See Accessibility

In your daily life, look out for and photograph amazing examples of solutions to physical, sensory, service or communication barriers.

### Share Accessibility

Share it across social media with the hashtag **#ThinkAccessibility** To show the world what good accessibility really looks like!
